Product Manufacturer:

VMware

Product Description:

VCenter Operations Manager

(Attach Product Technical Sheets)

attached

Additional Comments:

EVALUATION CRITERIA

A. Product Reliability

1. Vendor / Product track record

VMware has a solid track record.

2. Vendor support required Little to none. The install is simple, and then you add your serial number in.

3. Ease of use

Easy. It's entirely web based.

4. Support required by RIC / school district

Little to none.

5. Potential to become "White Elephant"

na

6. Training requirements

Little to none.

B. Product-Price / Acquisition

1. Cost effectiveness

Has helped me SAVE money on hardware purchases.

2. Acquire via NYS Contract or local bid

NYS Contract.

3. Cost of operation and support

Runs in VMware - doesn't increase any operational costs. There is a support contract for it. 

4. Do any legal or contractual issues exist

None I am aware of.

C. Product-Relationship to Other Standards

1. Compatibility to existing Standards

Works within VMware vCenter.

2. What other options are available

None that I am aware of.

3. Relationship to previous research and changes since that time

D.

BOCES-Service Needs

1. Define and explain the current need

Helps identify over and under committed resources in your VMware Hosts.

2. What existing CoSer and RIC Service does it fall under

3. What is the scope and size of the school population to be served

Currently used in Medina's cluster of 3 Hosts, 70 VMs, 2000 users.

4. Instructional and/or administrative goal supported

Administrative - cost cutting.

5. Results of survey determining school district interest in using this product
